Legal Issues for Pennsylvania Professional Engineers

A practical, one-day seminar where you'll:

- **Analyze** the Pennsylvania rules and regulations on the practice of professional engineering
- **Explore** the current state of professional liability law
- **Review** the basics of contract law
- **Evaluate** professional liability and general liability insurance coverage

Seminar Agenda

Complying with Pennsylvania Rules and Regulations On the Practice of Professional Engineering

- Defining the practice of professional engineering
- Powers and duties of the Pennsylvania State Registration Board for Professional Engineers, Land Surveyors and Geologists
- Requirements for licensing and renewal
- Grounds for disciplinary action
- Procedure for investigation and hearing
- Reviewing the types of disciplinary actions

Law of Engineering Malpractice

- Current state of professional liability law
- Common sources of professional liability claims
 - Breach of contract, negligence, misrepresentation, strict liability, fraud
- Defenses to liability claims
- Determining damages
- Anatomy of a professional liability lawsuit

Overview of Contract Law for Engineers

- Understanding the basics of contract law
- Standard forms of agreement
- Negotiating contract terms
- Contract documents and formation
- Scope of services and changes
- Risk allocation provisions
- Making changes to contracts
- Breach of contract

Professional Liability Insurance for Engineers

- General liability vs. professional liability
- Certificates of insurance and additional insureds
- Indemnities
- Assignment
- Insurance availability
- Insurance policies
- Warranties, guarantees and certifications
- Recognizing and responding to claims

Seminar Faculty

Kevin B. Watson is a partner in the Construction Group of Cohen Seglias Pallas Greenhall & Furman PC, working out of the firm's Philadelphia office. Mr. Watson's practice focuses on the litigation and resolution of complex professional liability, commercial, construction, intellectual property, products liability, and environmental matters. He has successfully represented domestic and international contractors, design professionals and project owners before various federal, state, and international courts and arbitration panels. Mr. Watson is adept at finding non-litigious solutions for his clients, bringing his considerable knowledge of architectural, engineering, and construction disciplines to the bargaining table. He has contributed writings to various industry publications. Mr. Watson is a member of the American Bar Association's Forum on Construction Litigation, the Design Build Institute, the National Society of Professional Engineers, the American Society of Civil Engineers, and the Engineers Club of Philadelphia. He is also an engineer-in-training in the Commonwealth of Kentucky.

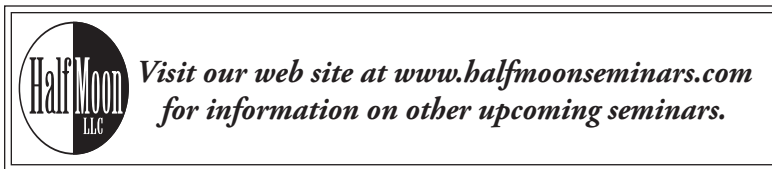

Rene David Quinlan is senior counsel in the Construction Group of Cohen Seglias Pallas Greenhall & Furman PC in the Philadelphia office. Mr. Quinlan focuses his practice on construction litigation and construction law, with an emphasis on the preparation and defense of federal and multi-state delay, disruption, and acceleration claims, payment and performance bond claims, mechanics' lien claims, and construction contract preparation and review. He has represented contractors, subcontractors, suppliers, owners, sureties, and design professionals. Mr. Quinlan is a member of the Philadelphia Bar Association and an associate member of the American Institute of Architects. He is the recipient of the national architectural fraternity's Alpha Rho Chi Medal and the American Institute of Architect's Medal, both given for excellence in architectural studies. Mr. Quinlan is admitted to practice law in Pennsylvania as well as the Eastern District of Pennsylvania, the Western District of Pennsylvania, and the U.S. Third Circuit Court of Appeals.

Continuing Education Credit

HalfMoon LLC has designed this activity for the professional enrichment of Pennsylvania professional engineers. This program will qualify for continuing education credit for engineers in most states of licensure, excluding New York. Please refer to specific state rules to determine eligibility, or contact HalfMoon LLC for assistance. This activity is registered with the Construction Specifications Institute Construction Education Network for 6.0 HSW CEUs for CSI members. You may email any continuing education inquiries to doug@halfmoonseminars.com or call HalfMoon LLC at 715-835-5900.
